Dr J Maddison, Dr A Mather, Dr K Bailes

Dear New Patient

Welcome to New Court Surgery

To register as a new patient you need to complete a

- Registration Form (1 photo ID and 1 current proof of address)
- Sharing my health record form

When you bring the forms in please also bring:

- Urine sample – labelled and in a plastic bag
- Blood pressure reading (if aged 16 and over) – there is a blood pressure machine monitor in the waiting room if you have not had your blood pressure taken recently

We **do not** routinely ask you to visit the nurse for a new patient check as we know that some people find it difficult to attend appointments. Once registered, the Nurse checks the questionnaires and enters the relevant information onto your records, if she feels that it may be helpful for her to meet you to obtain further information and maybe for further routine tests, we will contact you and ask you to make an appointment.

If you are on regular repeat medication, you will need to make a routine Doctors appointment before we can issue a prescription, again once you are registered we will be able to do this, so please allow 24 hours after bringing in your forms before contacting the Surgery for an appointment.

Please contact the Surgery if you have any questions, our Receptionists will be happy to help.

Yours sincerely

Mrs Jo Osborn
Practice Manager
